Subject: Request for Copy of Reclamation Surety and/or Surety Rider, West Valley Sand & Gravel, Inc, Daniels Canyon Pit, M0510008, Task ID# 1519, Wasatch County, Utah

Dear Mr. Lloyd:

On January 18, 2007, Ms. Beth Ericksen, Surety Coordinator, spoke with you about obtaining a copy of the reclamation surety that is held by the county. Later that week, Mr. Mike Dalley, of Staker & Parsons Companies telephoned Beth and indicated he would get the bond and fax it to her attention right away.

To date, the Division has not received a copy of the bond. As mentioned in a conversation with you, the Division requires the bond to provide assistance in naming the Division as co-beneficiary. However, Mr. Dalley or yourself can contact the insurance company and request the issuance of a rider naming The State of Utah, Division of Oil, Gas and Mining.

**Failure to furnish and maintain reclamation surety may result in permit withdrawal, after notice and opportunity for board hearing, cessation of mining operations, and/or requirements to reclaim all lands affected by mining operations.**
